For immediate website registration visit www.fitwise.co.uk and click on 'BAUN – Prostate Cancer Study Day' listed under imminent events - do **NOT** register online AND return this card as this may result in a duplicate registration.

Cancellation Policy

For delegates who can no longer attend they must contact Fitwise to cancel their place. Those who do not cancel their place by 1st December 2009 will incur a £60 cancellation fee. All delegates attending on the day will be admitted free of charge provided they have pre-registered. If you have problems please contact the BAUN Events team on 01506 811077.

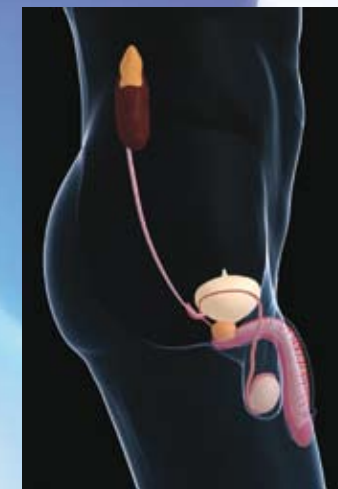

I agree that if I do not cancel my free place by Tuesday 1st December 2009, and do not attend. I will be liable for the £60 cancellation charge, which must be paid by 30 days after the event.

Signed: _____

BAUN – Prostate Cancer Study Day An Overview

A FREE study day aimed at urology and oncology nurses working in both the community and the acute sector, as well as nursing professionals with an interest in the management & treatment of prostate cancers.

After the tremendous success of this study day in Southampton in July 2009, we are taking this event north. This programme on 9th December in Manchester has been developed by the British Association of Urological Nurses (BAUN). The day is being chaired by the past BAUN President – Mary Kirkham and speakers invited include Dr Catherine Briggs, GPSI, Stockport PCT, Mr. Maurice Lau, Consultant Urological Surgeon, Salford Royal Hospital & Christie Hospital, Helen Johnson, Urology CNS, Salford Royal Hospital, Philippa Aslet – Urology CNS, Basingstoke and North Hampshire NHS Foundation Trust and many other high profile speakers.

It is free to all healthcare workers and includes educational handouts, and catering provision.

To register free visit www.fitwise.co.uk and click on 'BAUN – Prostate Cancer Study Day' or complete the attached card

Spaces are limited to 120 delegates

Freemasons Hall, Manchester – Wednesday 9th December 2009

Comments on the previous event:

'An excellent day, also opportunity for networking with other urology nurses invaluable....THANK YOU!'

'The day was very good overall and it would benefit others working in urology if the event could be at other venues around the country'
