

Advancing healthcare through the delivery of infection prevention and patient safety solutions

Together with the British Association of Urological Nurses (BAUN), we are pleased to announce that we will be hosting two regional educational events:

14-15 May 2019 – Eynsham Hall, Oxford

25-26 June 2019 – Hilton Hotel, Manchester Airport

They are FREE to attend and will take place over 2 days. Lunch and refreshments will be provided and accommodation for one night if required will be available.

To register your interest, contact your local BD/Bard representative or visit: www.bardcare.uk/clinicians/training/events

You will be contacted by a member of the BD/Bard team to confirm your place.

The sessions will cover the following areas:

Day 1: The CAUTI Prevention Conference

Day 2: Option 1: Ultrasound Bladder Scanning Training

Day 2: Option 2: Discovering Personal Effectiveness through Insights® Discovery

15:45 – 16:00	Practical demonstration and workshop
16:00 – 16:30	Training issues and guidelines including discussion and feedback
16:30	Close

Day 2 – Option 2: Discovering Personal Effectiveness through Insights® Discovery

At the very start of the self-awareness journey is Insights® Discovery. A psychometric tool based on the psychology of Carl Jung, Insights® Discovery is built to help people understand themselves, understand others, and make the most of the relationships that affect them in the workplace.

The Insights® Discovery methodology uses a simple and memorable four colour model to help people understand their style, their strengths and the value they bring to the team. We call these the colour energies, and it's the unique mix of Fiery Red, Sunshine Yellow, Earth Green and Cool Blue energies, which determines how and why people behave the way they do.

By using Insights® Discovery to increase self-awareness, it helps people perform at their highest level. It promotes effective relationships at work, by improving communication, decreasing conflict, and leaving more time to get the job done.

09:30 – 10:00 Registration, coffee and exhibition viewing

10:00 – 11:30 Mind mental health talk

11:30 – 11:45 Break
