

## BRUCE'S BAKE SALE

**You are invited to organise your own bake sale any time during the week commencing 17th of June 2019. All proceeds donated will go to the Bruce Turner Annual Award.**

Bruce Turner was a well known and respected Uro-Oncology Nurse Consultant at the Homerton Hospital (London) and was the BAUN Education lead for many years. He sadly died in 2016 after being given a terminal diagnosis of cancer. Bruce was determined to continue his mission to educate and impassion Urological nurses and left instructions that a legacy should continue in his name.

The Inaugural Bruce Turner Award was awarded in November 2017 and delivered an annual prize that provides a fully funded place to the BAUN annual conference and appointment of an experienced practitioner who acts as a 'buddy' to support and mentor over a 12 month period.

To continue this legacy BAUN have embedded an annual event to raise funds for this important mission.

**If you are holding a bake sale please let us know by contacting [baun@fitwise.co.uk](mailto:baun@fitwise.co.uk)**

**Proceeds should be donated via the [BAUN Just Giving](#) page.**
